Oil Drum-Chair

The stylish **oil drum chairs** are made out of new, authentic 208 liter metal drums strengthened with a reinforced bottom. The seat and backrest upholstery is made of high-quality AirTex synthetic leather with diamond-shaped seams to ensure excellent seating comfort. Four solid metal feet mounted on the bottom of the oil drum allow a perfect horizontal adjustment of the chair.

Oil Drum-Table

The particular **oil drum tables** are manufactured out of new, authentic 208 liter metal drums. The tabletop is made of a matt black laminated reinforced-fiberglass board with a 70 cm diameter that is mounted on top of the oil drum base. Four solid metal feet mounted on the bottom of the oil drum make it easy to horizontally adjust the table.

High Bar Table with vitrine

The legendary **oil drum high bar tables with vitrine** are fabricated out of new, authentic 208 liter metal drums. A 6 mm thick and 70 cm diameter glass plate tabletop is securely mounted to the top of the oil drum with 3 chrome feet creating an additional tabletop. The inside of the drum is fitted with two round 6 mm glass shelves. Thanks to the four solid metal feet mounted on the bottom of the oil drum, the vitrine can be precisely regulated in the horizontally.
